CURRENT — TYPE SYSTEM

Geometric sans throughout — the cold, even tone we're replacing.

DIRECTION A — TYPE SYSTEM

A light editorial serif with ink-trap notches that read like inked, hand-printed type — over an industrial grotesque and a typewriter mono.

DIRECTION B — TYPE SYSTEM

Thin Roman inscriptional capitals — carved, monumental — over a Franklin-gothic workhorse and a technical mono.

DIRECTION C – TYPE SYSTEM

A light, hand-set letterpress serif headline — Goudy’s warm, slightly irregular forms — over a condensed technical grotesque and an engineered mono.
